

Junior Certificate

What's Happening Now?

- No students will sit Junior Cert exams in June 2020.

- The exams will not take place as it would be too difficult to maintain social distancing and keep students and school staff safe and healthy.

- Instead, all Junior Cert students will be awarded certificates for completion of the Junior Cycle of secondary school.

- The certificate will come from the Department of Education.
- You will receive this certificate early in the next school year.
